Dave Morales in Collier's Fireplace Shoppe.

Here at Collier's, we appreciate our customers. We realize that without you, our company would not be where it is today. We would like to use this space to recognize a loyal customer-- Dave Morales with the Warsaw Police Department.

Dave has lived in Warsaw since 1987 and has served on the police department since 1989. Before serving as a police officer in Warsaw, Dave was a United States Marine for 20 years. He is currently a member of the United States Air Force and recently returned from Nevada supporting Operation Red Flag.

Dave plays a large role in the Warsaw community. He served on the Housing Opportunities Board, the Boys & Girls Club board, and is currently on the K21 board of directors. Dave also volunteers for Toys for Tots, and he is D.A.R.E. certified, serving as a school resource officer. Serving as a school resource officer is not only impactful for the school, but for Dave also. "Serving as a resource for students and staff means a lot to me. It's my favorite. I love seeing former students."

Dave has three children, 28, 24 and 18 whom he loves spending time with when he's not on duty. They love to travel together, and he loves watching his son play sports. Some of their favorites are rugby, football, basketball and track. He said his son is always telling him, "It's not about me. It's about the team."

“ It's not about me. It's about the team. ”

When asked why Dave chose Collier's, he said he chose Collier's for their reputation, commitment to customers, community involvement and quality of service.

Thank you, Dave, for we also appreciate your service. Not only do you serve our country, but you serve our community and help our local nonprofits thrive. We are very grateful for the opportunity to serve customers like you.

Meet Joe

Joe Collier has been one of Collier's principle owners since November of 1987. With 29 years of service, Joe Collier is as enthusiastic as ever and excited to celebrate 30 years of business next year.

However, this has also been a big year for Joe. He welcomed his first granddaughter into the world on July 11, Mila Collier. "I can't wait to teach her to play in the dirt and fish," Joe said with a mischievous smile. In addition to now spending time with his granddaughter, Joe loves traveling, kayaking and hiking with his wife. He also does a lot of fishing in his free time. Another weekend hobby is attending dirt track and sprint car races with his son. Another fun fact-- Joe has attended 45 Indy Car races. Wow! Joe is a busy guy.

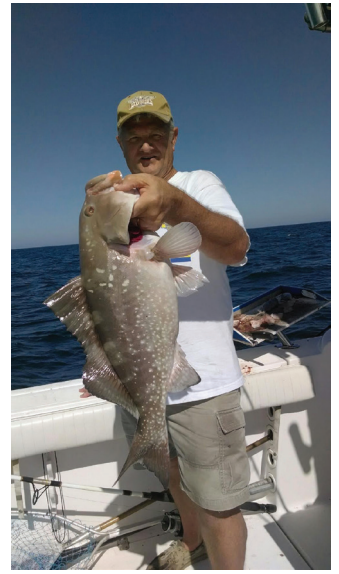

Joe's favorite chicken bombs

5 boneless, skinless chicken thighs
3 jalepenos, sliced in half lengthwise and cleaned
5 slices of bacon
4 ounces of cream cheese softened
Holland Grill Carolina Seasoning

Open up the chicken thigh (like a hamburger bun). Sprinkle Carolina seasoning on the inside of the chicken thigh. Smear about 1 tablespoon of cream cheese into each pepper half (use up the cheese between all of the peppers). Place the pepper inside of the chicken thigh. Wrap each chicken thigh completely with one piece of bacon and secure with toothpicks. Cook on a grill (preferably a Holland) until chicken and bacon are done. Enjoy!
