Customer Spotlight

Here at Collier's, we appreciate our customers. We realize that without you, our company would not be where it is today. We would like to use this space to recognize a loyal customer-- Larry Brey with Barbee Christian Camp.

Larry genuinely enjoys being the caretaker of the camp owned by Christian Church of Indiana that spans over 10 acres in Leesburg. Every day he sees wildlife such as whitetail deer, bald eagles and sandhill cranes. There is something powerful about being fully present, enjoying God's creation.

“ It's awesome to be in communion with God in the outdoors. ”

Being a camp counselor at the camp for one week a year for over ten consecutive years allowed him to easily transition to being caretaker. During our conversation, Larry smiled as he reflected on how the camp used to be. He said, "Back in the day, 60-80 kids used to attend the camp, however, camps have changed. Young people have too many options. I feel we are competing for their attention."

Larry said that the goal of the camp is to "expose our young people to what God's created. Each camp has a unique theme." Camps this year will span from June 13-July 27. For more information, please email Larry at larry@indianadisciples.org or call him at (574) 834-4190.

When asked why Larry chose Collier's Heating & Air Conditioning and Collier's Fireplace Shoppe, he said, "I've been very happy with Collier's. You do excellent work, you're professional, and you have a quick response time."

Meet Mary

Mary, one of Collier's Customer Service Representatives, has been on the team for nearly six years. When she's not answering your call, meeting your comfort needs or "blessing your heart," she's spending time with her four, precious grandchildren. Mary also loves to garden. Her favorite flowers are her beautiful red canna flowers.

Mary also loves to bake! She shared one of her and her children's favorite spring recipes below (they still ask her to make it for their birthdays!)

Jello Cake

- 1 Box of white cake mix
- 1 Large box of strawberry Jello
- 2 Cups hot water
- 1 Container Cool Whip

Follow the cake mix directions on the box. When it is done, poke holes using a fork. Dissolve the jello in 2 cups of hot water then pour over cake. Let chill a few hours and then top with cool whip.
